Mr. Ross Panton,  
President,  
Nosh on the Namoi Committee,  
Delaney Avenue,  
**NARRABRI. N.S.W. 2390**

Dear Mr. Panton,

We have pleasure in submitting this quotation for the supply and installation of 8 only caravan-type outlets, each of which would contain 4 x 15a outlets. This would give a total of 32 x 15a 240v outlets, each outlet protected by an individual RCD (safety circuit breaker).

The outlets would be located on the lawn area at the rear of The Crossing Theatre, with power supplied via a switchboard located under the rear stairs area. This switchboard in turn would be supplied from the main switchboard.

Our quotation for the above installation is in the sum of \$19,940.00 plus GST charges of \$1,994.00, **total quotation in the sum of \$21,934.00 (Twenty one thousand nine hundred and thirty four dollars only).**

Please note that the above quotation does not include any allowance for trenching work.

All work to comply with S.A.A. Wiring Rules and Country Energy regulations.

Should you have any queries regarding this quotation, please do not hesitate to contact me.

Yours faithfully,

.....  
K.J. & D.A. Smith,  
Narrabri Electrical Service Pty. Limited
