The General Manager,  
Narrabri Shire Council,  
46-48 Maitland Street,  
NARRABRI NSW 2390

Dear Sir,

Re: Development Application No. 179/2005

I have already signed a statement to the fact that the above development application will not directly affect me.

This is true, however, I do question the wisdom of Council if they approve this development application.

Approval would reduce one viable dryland farm to nine (9) unviable parcels of land when sold.

Yours sincerely

WILLIAM B POWNALL
