NAIDOC Week Celebrations

Narrabri Shire Council will acknowledge NAIDOC Week with a flag raising ceremony, morning tea and celebrations on Tuesday 18 July 2017 at Council's Administration Building. All are welcome to attend. Further details on this event will be forthcoming on Council's Facebook page and Website.

Narrabri CBD Upgrades

Physical works for the Narrabri CBD Upgrade centre median strip will commence this week and will be ongoing until the end of October 2017. For regular updates visit Council's website and Facebook page.

Illegal Dumping

Illegal dumping is the placement of waste onto private or public land where no license or approval exists to accept such waste. It varies from small bags of rubbish in an urban environment to larger scale dumping of materials in isolated areas, such as bushland. Help stop illegal dumping in your area, by reporting any incidents.

What's happening in your neighbourhood?

Every year, Council invests a considerable amount into improving infrastructure throughout Narrabri Shire. These works are planned in advance through a four-year Delivery Program.

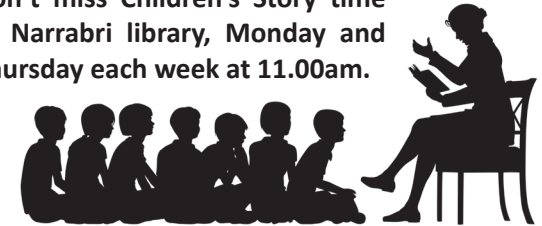

This year there are a number of notable projects happening across the Shire which can now be viewed on an Interactive Map available on Council's website. Using Google maps technology, you can easily navigate the map and click on the icons to view details of the works. Details include the type of works, location, cost and what Council department these works come under. The link to the Capital Works map can be found on the homepage of Council's website.

Now you can easily see what's happening in your neighbourhood!
