

# WASTE

Your bin with the red lid is for general household waste. Once waste from your bin is collected, it is buried in landfill where it will never be used again. That is why it is important to minimise what you place in your red lid bin where possible.

Waste from your bin is collected weekly.

When placing items in your waste bin please:

- No paints or thinners
- No gas bottles
- No car batteries
- No syringes

Small broken items  
(e.g. ceramics and crockery)

Nappies

Polystyrene foam

Plastic bags, film and wrappers

General household waste

Items which cannot be disposed of in your garbage bin include (but are not limited to):

Hazardous or chemical substances

Building materials

Car batteries and parts

Syringes and medical waste
