

RECYCLING

Your bin with the yellow lid is for recycling. Once your recyclables from your bin are collected, they are sorted into product categories. From there they are sent to manufacturers to be turned into brand new products.

Your recycling service saves valuable resources from being buried in landfill where they will never be used again. Your recyclables will be collected fortnightly.

When placing items in your recycling bin, please:

- Do not place recyclable items in plastic bags
- Flatten cardboard
- Rinse all containers (use your washing up water when finished)
- Remove lids from bottles and jars
- No nappies

Plastic bottles
and containers

Paper, cartons
and cardboard

Glass bottles and jars

Items which cannot be disposed of in your recycling bin include (but are not limited to):

Foam

Plastic bags

Plastic film and wrappers

Bagged recycling

Unwanted or broken items
