

Councillor Induction and Briefing Schedule 2022

With the timing of this Local Government ordinary election over the Christmas and New Year, the following is the draft schedule of inductions, briefings and when and how Councillors will gain access to Council issued IT equipment.

Between Tuesday, 4 and Monday, 10 January 2022, a Council officer will contact newly elected Councillors and organise a time for you to collect your Council issued iPad. Newly elected Councillors will be provided with an initial training session on how to use the iPad and communicate from their Council provided email address.

With limited availability of Council staff due to the timing of the election, your patience is appreciated in allowing the available Council staff to set up the required IT configurations.
