Conditions of Approval

The following conditions must be adhered to:

1. Sufficient evidence of public liability insurance to the amount of \$20,000,000 (minimum) is provided to Council on receipt of the application. This must be in the form of a current Certificate of Currency or a copy of the Insurance Policy from a recognized Insurance company or Broker, inclusive of conditions specifically stating the insurance covers grazing of stock on shire Roads.
2. Prescribed standard stock warning signs must be erected on the roadside warning motorists of the presence of stock and signs must be removed or covered when stock are yarded or removed.
3. In the event of wet weather all stock shall be removed from the road reserve immediately.
4. The holder of the Permit shall indemnify Council from all claims arising as a result of the presence of the stock in the road reserve.
5. The holder of the Permit shall be responsible for any damage to the road formation caused by the stock.
6. All stock shall be removed from the road reserve should Council require the site for road maintenance works. Grazing is not permitted whilst Council conducts road maintenance work in the area.
7. Stock must only graze during daylight hours and return to their property of origin at night.
8. Permits may only be granted to those landholders adjacent to the shire roads for the area immediately adjoining their property. Extension to graze beyond this area will only be granted if adjoining neighbours have no objection.
9. Permits may be granted to stockowners, other than owners adjoining the shire road if they obtain written permission and approval is given to the LLS from the owners who join both sides of the road that they will allow that stockowner to water and yard in one of their properties in accordance with the conditions of the grazing permit.
10. All stock shall be sufficiently supervised at all times. Electric fences may be used as a stock control method.
11. Bulls may be included on this Permit if written permission of neighbours is submitted to the LLS.
12. Horses are not permitted to be grazed on this permit.
13. The distance over which stock are being grazed does not exceed 2kms at any one time.
14. Any stock that die or are injured must be removed from the public road reserve within 24 hours
15. All conditions must be adhered to at all times or otherwise the permit may be cancelled.

Declaration

I have read, understood and accept the above conditions with regard to the grazing of stock on land under the control of Narrabri Shire Council.
