

2022/2032 COMMUNITY STRATEGIC PLAN

WE WANT TO HEAR FROM YOU!

Narrabri Shire Council recognises that the involvement of residents and ratepayers is vital to ensure that our priorities meet the community's needs. Council endeavours to engage the community for the purposes of determining the priorities on various projects and initiatives to be implemented throughout the Shire.

Council must review its Community Strategic Plan before 30 June in the year following an ordinary election of council. The Community Strategic Plan is the highest level of strategic planning undertaken by a council, with a ten-year plus timeframe. The Community Strategic Plan sets the strategic direction and establishes priorities for the newly elected Council to work towards in its Delivery Program and achieve during their term. Council's Delivery Program is its commitment to the community about what it will deliver during its term in office to achieve the Community Strategic Plan objectives.

Council must establish a new Delivery Program after each ordinary election of councillors to cover the principal activities of the council for the four-year period commencing on 1 July following the election (2022).
